**VERY IMPORTANT**

**Please read this agreement before signing and dating it as it has serious implications**

1. One of Anim-Mates main objectives is to reduce the large number of unwanted animals. To ensure that no animal for rehoming can breed, all rescued animals are neutered.
2. In respect of very young kittens, Anim-Mates requires their new owners to guarantee that they will be neutered as soon as possible.
3. Kitten(s) will remain securely indoors until after they have been neutered.
4. Kitten(s) must be neutered by 6 months of age.
5. Kittens not neutered by 6 months must be returned to Anim-Mates and/or the reason why the neutering has not been carried out must be reported to Anim-Mates.

**I have read all the above paragraphs and agree to abide by items 3, 4 and 5**
